Roman at Home has added two new lanterns to their range, including a vintage look rustic grey version and a neutral cream version. The lanterns are perfect for use all over your home and can also be used outdoors to give a warming ambience when entertaining in your garden. Both versions include a hook at the top so they can be hung up, or placed on the ground to suit your preference.

The small pair of wooden candlesticks are the perfect way to add some mood lighting when inside the home. They offer a large base, so are ideas for use with traditional pillar style candles.
